HANDBOOK & CODE OF CONDUCT

SY 2025-2026

Dear SSC Community,

Welcome to SSC's 15th School Year!

As with every year, we reflect, review, and revise this Handbook & Code of Conduct to ensure it stays relevant and responsive to the evolving needs of our community. This year, we've added two new sections:

1. SSC's AI-Use Policy

A timely addition that outlines when AI tools are permitted or restricted, aligned with our vision of making SSCians future-fit. We do wish to have our Pupils maximise AI as a tool for learning but also ensuring it doesn't replace what is essential to their growth, such as critical thinking, personal effort or academic integrity.

2. SSC's Child Protection and Anti-Bullying Policy

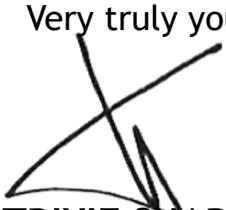

This section was added to supplement what is already covered under Corrective Procedures - including providing a clearer definition of what constitutes bullying, detailing how incidents can be reported and handled thereafter. All of this is in alignment with national policies and likewise reflects SSC's zero tolerance to bullying.

For NEW families, the key contents of this Handbook & Code of Conduct are covered during the Orientations held before the start of the school year.

To all stakeholders in our school community: more than simply complying with the guidelines in this Handbook & Code of Conduct, we hope we embrace the values and principles behind them, as we work together to foster Thinkers in Action!

Here's to a meaningful and memorable 15th Anniversary Year for SSC!

Very truly yours,

TRIXIE SUAREZ
School President

VISION

Singapore School Cebu endeavours to be a leading international school known for its academic rigour, strong sense of community,
and ability to shape world-class graduates who are committed to being trailblazers and agents of positive change.

MISSION

We, the SSC Community, dedicate ourselves to achieve our vision by:

-delivering quality education that fosters critical thinking, encouraging adaptive and innovative problem solving;

-providing a nurturing environment that leads to a passion for lifelong learning;

-encouraging care and compassion, acknowledging differences whilst finding common ground, and fostering a strong membership in the community that extends to responsible global citizenship.

If you study to remember, you will forget;
if you study to understand, you will remember.

PRE-U/IB LEARNER PROFILE

(for Pre-University)

SSC's Pre-University employs the IB programme where the latter's aim is to develop internationally minded people who, recognising their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As Pre-U/IB learners we strive to be:

INQUIRERS	We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.
KNOWLEDGEABLE	We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.
THINKERS	We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.
COMMUNICATORS	We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.
PRINCIPLED	We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.
OPEN-MINDED	We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.
CARING	We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.
RISK-TAKERS	We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.
BALANCED	We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognise our interdependence with other people and with the world in which we live.
REFLECTIVE	We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

The Pre-U/IB learner profile represents 10 attributes valued by IB World Schools around the globe. We believe these attributes, and others like them, can help our SSCians as individuals and groups become responsible members of local, national and global communities.

HANDBOOK

A. Attendance, Lates & Absences

* SSCians are to develop the habit of being **ON TIME** and **CONSISTENT** with one's **ATTENDANCE** as they recognise its benefits.

* Pupils will be considered **LATE** if they arrive beyond the designated arrival time. This also includes Pre-University pupils on their SSC-DL schedule.

* Three (3) unexcused incidents of tardiness will be recorded as equivalent to one (1) absence.

* In case one has to be **ABSENT**, the school has to be informed via the various communication mediums available. For Pre-University pupils on SSC-DL, the notification may be per subject period, if applicable.

* For absences due to **HEALTH** reasons, the pupil is excused from missed seat works and examinations. Department Coordinators will decide and arrange for possible make-ups. Return to school dates from specific health issues, i.e. Covid, HFMD are based on protocol matrices provided by the School Clinic.

* For absences due to **HOLIDAY** purposes or other reasons considered invalid, as a general rule, there will be NO MAKE-UP ON SEAT WORKS OR EXAMINATIONS.

* For Pre-University pupils on SSC-DL, the absence of internet connectivity may or may not be considered a valid excuse.

* For absences **WITHOUT PRIOR NOTIFICATION**, there will likewise be NO MAKE-UP ON SEAT WORKS OR EXAMINATIONS.

* For **SSC-DL** applicable to Pre-University, attendance may be recorded per Subject. In such cases, one to two (1-2) instances of tardiness for a period/subject in a school day will result in the pupil being considered *late* for that school day. Three (3) instances of tardiness for a period/subject in a school day will result in the pupil being considered *absent* for that day. Missing a period/subject is considered one late.

* Tardiness and Absences will be encoded in the school's MIS (Management Information System). Parents/Guardians can monitor their child's attendance in the MIS.

* For all absences incurred, no SSCian can exceed 20% of the total number of school days within the school year to be eligible for promotion to the next level.

B. School Holidays & Class Suspensions

* All National and Local Philippine Holidays, on top of scheduled School Holidays, are already indicated in the School Year Calendar provided to Parents and Guardians at the start of the school year. The plan is to eventually maximise the utilisation of the MIS calendar for stakeholders..

* Weather disturbances, including flooding and infrastructure damage as a result, could lead to class suspension. Added to this, a possible campus closure in relation to virus outbreaks. In such circumstances, SSC will always inform the community.

In case of Class Suspension:
* SSC's Communication Centre (ComCen) will relay the decision to suspend classes primarily via email and through the MIS.
- The announcement will also be posted on the School's social media accounts.
- Do expect SSC to make a decision either by 8.30pm or 5.30am. For other timings, SSC will make the announcement the soonest time necessary.

IMPORTANT:
Each Family is expected to seek out the decision on Class Suspensions from any of the available communication tools which should be more than sufficient.

C. Arrival & Dismissal; Drop-Off & Pick-Up

* Each level is provided with a set School Timetable, indicating the time each school day starts and ends.

* The designated entrance gate in the Boardwalk complex will open at 7.30am and will be closed by 8.20am.

* The big clock, located at the lobby, will be the basis of the official school time.

* The same gate will open 30 minutes before any dismissal time.

* Only cars bearing the school's official Vehicle Pass will be allowed entry. A verification process will have to be conducted for cars without it.

* All cars exit via the Zuellig Gate.

* For SSCians dropped off before the campus gates open in the AM, can do so no earlier than 7.00am. Any earlier will have to be requested via SSC ComCen and pre-approved. For PreSchool PM classes, they may be dropped off no earlier than 12.00nn. For PreSchool and Lower Primary Pupils, an Adult Companion is required to stay with the child until 7.30am. For those attending Upper Primary, Secondary & Pre-University, they are expected to responsibly self-manage.

* Parents and other Adult Companions for PreSchool Pupils are allowed to escort their child(ren) all the way to their classrooms.
-"Wednesday/Thursday Welcome": In the case of Primary and Secondary to Pre-University, their Parents can drop by their classrooms on Wednesdays and Thursdays respectively.

* During Pick-Up, an SSC-issued Fetchers Pass is to be shown before any SSCian (with the exemption of Pre-University pupils) can be released. This practice is normally at the start of the School Year when stakeholders (SSC Staff and Fetchers) are still familiarising themselves.
- Parents can request for a Designated Fetchers Pass where it lists down the specific persons that they authorise only to pick up their child(ren).

* For non-routine Fetchers, it is best practice for Parents/Guardians to notify the school via ComCen for pickup arrangements. Substitutes should present a valid ID.

* Parents should also notify ComCen if their child is riding home with a schoolmate.

* For Pre-University pupils, they can already be dismissed on their own unless their Parents advise the school otherwise. Also, given their varying timetables, they can be dismissed earlier in the day. A specific Timetable per pupil will be available once their subject choices are confirmed.

* At the start of every school year and when needed, the School Administration provides advisories on traffic flow, drop-off and pick-up procedures. Drivers and authorised Fetchers are highly encouraged to attend the orientation offered before the school opening.

Item Drop-Off
* It is the school's policy not to accept items for pupils dropped off after 8.30am except for lunch meals, medicines and other valid items. Things such as school ID, materials and other items left behind by the pupil will not be accepted. This policy is to foster in our SSCians the value of responsibility as they need to show up in school prepared or deal with the consequences of forgetting to bring a requirement to school.

Forwarder
* For instances wherein Parents or Guardians have something (e.g. packages, money) to hand over to other families, using the School as a forwarder is prohibited. This policy is to prevent the incidence of loss or damage and also to ensure that school personnel in the lobby remain focused on their job at hand during arrival and dismissal times.

D. Uniforms & Grooming; Dress Code

* SSCians must wear their complete designated uniform from Monday to Thursday. Please see the specifications listed in the chart.

Boys' Uniform

School Uniform	PreSchool	Primary	Secondary & Pre-University
Set A	Blue polo shirt Grey shorts White ankle socks White trainers or sneakers	Light Blue button down shirt Grey trousers White ankle socks White trainers or sneakers	Light Blue button down shirt with stripe accent Dark Grey trousers White ankle socks White trainers or sneakers

* SSC will provide each pupil one (1) set pc of: Set A, Set B, PE and Baseball Top Uniform. Pupils may opt for more sets than what is provided by the school, but fees will already apply for the additional orders.

* Official SSC Jackets, Sweatshirts and Cardigans are available to wear on top of the School Uniform. If one is to wear his/her own, it must be open on the front to still reveal the School Uniform including the collar area. It is also asked that SSCians refrain from wearing clothing pieces bearing the names of other schools, both local and abroad, with the exception of universities.

* Any production of clothing that bears the School's name and/or Logo, must secure prior approval from the School Administrator, i.e. Team Shirts for Goodwill Games, other events.

* SSCians may change their top and/or bottom after a PE class that has caused their uniform to be wet or soiled. However, the outfit must still comply with the school's dress code. Coming from play on other days, SSCians need to change first to another shirt before changing back into their official uniforms for regular class. If there is a change of outfit for a particular subject period, they must revert to their uniforms by the end of the period, unless dismissal time directly follows that period.

* For activities (CCA, ECA, Clubs, After School, other school events) that may require a change of outfit, pupils may do so in the previous free period, including possibly lunch time.

* SSCians must come to school well groomed. Hair should be free of head lice. Nails must be trimmed and clean. They must also ensure that their uniforms are free from rips, tears, holes, missing buttons, damaged zippers, and stains.

Fridays and Casual Days

* Fridays are normally designated as Casual Day where SSCians are free to wear the clothes of their choice. However, the attire has to meet the standards of the school's Dress Code. SSC has a dress code that is symbolic of the proper decorum it fosters among SSCians, that they may be able to model decency, respect and responsibility as members of the school community. SSCians should refrain from attending school or any school event with the following:

BOTH BOYS & GIRLS	BOYS ONLY	GIRLS ONLY
● Nail polish (coloured) ● Long nails ● Body tattoo (ink, henna or glitter) ● *Heelys* (footwear with wheels) ● Slippers ● Body piercing ● Exposed underwear ● Ripped jeans with rips above the midthigh ● Hairstyle or hair colour that attracts unnecessary attention	● Piercings of any sort ● Hair length that goes beyond the shoulder ● Any form of hair accessory; no tying of hair ● Tops without sleeves ● Skirts or Dresses	● Dangling earrings that exceed 1" from the earlobe when worn ● Multiple earrings ● Makeup (except Pre-University pupils who may wear light makeup on Fridays) ● Eyelash Extensions (except for Pre-U) ● High heeled shoes ● Low necklines ● See through outfits ● Tube tops, off shoulder or spaghetti strap blouses ● Crop or hanging tops that show skin ● Skimpy shorts/skirts with length or style at risk of showing one's bottoms; as a rule, shorts must be no more than 3 inches above the knee

* The above Dress Code is also applied on SSC-DL and during school events, including those held outside the campus.

IDENTIFICATION CARD (ID)

* The school ID is part of the uniform.

* SSC will provide pupils with one (1) ID and one (1) official lanyard at the beginning of the school year.

* All SSCians need to tap their ID at the flap barrier gate at the lobby entrance, to officially indicate they have arrived in school. In the absence of the ID, the Lobby Reception Officer shall assist.

* School IDs must be appropriately worn around the neck and must be free from markings that cover the details.

E. Correspondence & Memos with Parents and Guardians

* Parents and Guardians are expected to be on top of their child's school life. Evidence includes their regular attendance of Parent-Teacher Conferences, orientations and other school events. They also follow the correspondence from school, responding diligently when feedback is needed.

* SSC ComCen is the school's communication centre that serves the community well in sharing, relaying and receiving information. It can be reached via email, SMS or call. The school also utilises an MIS (Management Information System) for communication and data management. Parents/Guardians are expected to utilise this platform for notifications and correspondence.

* Parents or a Guardian must respond to correspondence that may require their eSignature. Whenever a reply is required, Parents or a Guardian is asked to provide such on or before the set deadline.

* While the school will make an effort to reach out to Parents/Guardians who are unable to reply after the set deadline, it will proceed to assume the Parents/Guardians "conforme" or make the decision on their behalf in case attempts to communicate are not successful.

F. Pupil-School Correspondence

* In Secondary and Pre-University levels, direct communication is made available between Pupils, Teachers, School Leaders, and the Admin Team via Google Chat and Gmail. However, boundaries have to be set so stakeholders can work together positively, constructively and respectfully.

- Communications via email and Google Chat should be sent on WEEKDAYS ONLY, preferably between 7.00am and 7.00pm.
- Any stakeholder can be expected to respond within school hours, from 7.30am-4.30pm.
- When a stakeholder sends an email that requires a reply, the date the reply is needed must be indicated in the Subject, i.e. Feedback re Project Proposal – 23 Sep.
- Unless the matter is extremely urgent, a minimum allowance of 24 hours should be given for the Teachers, School Leaders, and the Admin Team to reply and address the concern or request.
- Emails are preferred over Google Chat unless an active conversation is already ongoing.
- Stakeholders are disallowed from communicating using their personal mobile numbers; instead, official school account channels should be utilised.

* Kindly take note of the specific guidelines for the following:

1. **University & Career**

   The School recognises that University applications are usually done after school hours; thus, correspondence between the University and Career Adviser and the Pupil is unavoidable across all stages of the University application process. To ensure prompt feedback and timely delivery of requests, please refer to the following guidelines:

   - For ongoing conversations and quick questions, Pupils can communicate via Google Chat anytime but should not expect a reply outside of work hours aside from when the matter is urgent. By urgent, this should not be a result of missing the deadline provided.
   - For document requests i.e. Transcripts, Certificates, Recommendation Letters etc., Pupils and/or

Parents may send an email to UandC@singaporeschoolcebu.com and expect a response within 24 hours of the next working day. In the email, kindly indicate the purpose and the deadline for the document/s requested. Additionally, releasing of documents requested follow a 3 to 5-day lead time; thus, we urge everyone to make their requests ahead of time and not close to the deadline. Rest assured that SSC ensures the timely delivery of all documents requested.

- For consultation requests, Pupils and/or Parents can send an email to UandC@singaporeschoolcebu.com and expect a response within 24 hours of the next working day along with the U&C Adviser's availability. A GCal shall be sent to the Pupil once a consultation time has been confirmed by the U&C Adviser.
- Urgent matters shall be dealt with based on application timelines. It is expected that consultations between U&C Adviser and Pupil have been made during school hours with an agreement to continue work after school hours if necessary.

2. CCA & ECA (Activities) Department

The School recognises that Pupils often pursue their passion for and commitment to Co-Curricular and Extra-Curricular activities and may have enquiries after scheduled sessions. To ensure smooth communication with the Activities Department while supporting each Pupil's growth, kindly follow these guidelines:

- Pupils may reach out to the Activities Department during working hours (7.30am-4.30pm). During actual Club or Varsity time, focus must be on the activity on hand, although minor consults are permitted to Activities Personnel that may be present.
- Pupils may utilise Google Chat for quick questions or to continue ongoing conversations. Responses should only be expected during working hours unless the matter is urgent.
- When communicating with the Activities Department via email, send it to activities@singaporeschoolcebu.com. When communicating with a specific person, include the name in the subject line for clarity.
- When scheduling a meeting with the Activities Department for consultation or enquiry, set an appointment at least 3 to 5 days in advance. For urgent matters, the Department can accommodate shorter notice when necessary, depending on availability.

3. Pupil Council (PC)

The School recognises the additional responsibility of the Pupil Council and how the typical times to schedule meetings and collaborations happen only after school hours. Given this, the following protocols are given to the council:

- The Pupil Council are allowed to chat with the PC mentors at any time, but should not expect a reply outside of work hours.
- Outside of chatting with mentors, the Pupil Council shall follow the guidelines mentioned above for communicating with any other Teachers, School Leaders and the Admin Team.
- For urgent matters outside school hours, an attempt should be made to contact Teacher Mik via Chat. If you cannot, leave a message and set a time to call via Chat.

G. School Materials, Equipment & Books

* SSC shall provide each pupil with a kit containing necessary materials such as pencils, pens, rubber and crayons needed in class. SSC shall also provide additional materials necessary for classroom use. SSCians are asked to keep these materials in school. In case they are accidentally brought home, they need to be returned the next class day.

* SSCians are responsible for the textbooks, materials and equipment provided by SSC. These should be kept neat and free from vandalism.

* Books, Equipments and Materials (including calculators in the upper levels) that are labelled 'School Property' are only lent for the Pupil for a School Year. They should not be marked, scribbled on, and must be kept in reusable condition, to avoid being charged for the cost of the book or material. Parents/Guardians are to sign an agreement to ensure they understand and agree to the terms on the issuance and lending of Books, Equipments and Materials.

* SSCians must use School Materials only for their intended purpose and refrain from misusing them. This includes but is not limited to the Homeroom desktops, the Library facilities, furniture and fixtures, sports and playground equipment.

* Should SSCians bring personal school materials, they are to be responsible over these as well to prevent any loss or damage. They are to likewise be labelled.

* For Pre-University, they must secure the needed devices and other materials to attend SSC-DL days. For other levels, it must be noted that SSC will avoid shifting to Distance Learning for short-term class disruptions, i.e. viral outbreaks.

Replenishment & Replacement

* In case of a lost School ID, additional or replacement of damaged uniform, lost books etc., Parents/Guardians must fill out the Request Form (soft copy available on the school's platforms; hard copy available at the Admin office) and submit it to the child's Class Adviser. Corresponding fees will apply.

Non-Educational Materials & Electronic Gadgets; Social Media

* SSCians are not allowed to bring non-educational materials, toys and electronic gadgets to school except on Fridays. For sports equipment and other items that are out of the ordinary, one must seek permission for safety purposes.

* The above applies even when they have been dismissed, but remain in school premises.

* Secondary and Pre-University pupils, however, are required to bring their device (specifically a laptop) on a daily basis.

* Other instances, i.e. for presentations, electronic gadgets can be allowed but only after they have been granted permission from the Class Adviser. With regards to the use of cameras, they are allowed for school-related purposes. In the case of drones, their usage can only proceed after pre-approval from a Department Coordinator has been granted.

* Toys that represent weapons or harmful materials are not allowed at all times. Playing cards and collectable cards are prohibited from being brought to school.

* Personal sports equipment i.e, soccer ball or basketball is only allowed on Fridays.

* SSCians must be responsible for all toys, electronic gadgets, and other non-educational materials brought to school. SSC will not be liable for the loss or damage of such carried by pupils. These must be kept away during class hours and may only be used during break time and dismissal.

* Toys, electronic gadgets and other non-educational materials are not allowed during Term Exam days.

* Charging of toys or electronic gadgets are not allowed except for those that are authorised to bring their device to school.

* Use of social media or any online game and chat space during school hours is prohibited. As a general rule, pupils must also refrain from posting things on social media that occurred inside the campus or events that are considered private or inappropriate.

Mobile Phones and Head/Earphones

* For PreSchool & Primary School, mobile phones and head/earphones are strictly prohibited in school. For emergency calls, SSCians may ask permission to use the school phones.

* For Secondary & Pre-University, pupils may bring their mobile phones and head/earphones to school on a daily basis but must strictly adhere to the I&I rule: INVISIBLE & INAUDIBLE. Secondary pupils may use head/earphones only inside Raffles Library. Pre-University pupils are allowed to use head/earphones on school premises outside of class hours and while stationary. Mobile phones can be used publicly for valid reasons and with permission, i.e. for school projects involving video and photo taking, dismissal matters.

* During SSC-DL Days for Pre-University, the learning space from home should be free from non-educational items including mobile phones. It can only be allowed when it is used for uploading purposes, for example. After, it should be put away.

* Secondary & Pre-University pupils will be provided with an orientation at the start of every school year, and as needed to discuss further details with regards to this policy.

H. Seatworks, Revision, Homework & Submissions

* There is a 'No Homework Policy' for PreSchool and Primary School as pupils are expected to accomplish their school work during class time.

* Starting in Upper Primary School, SSCians are asked to do additional revision on their own, in preparation for assessments.

* Starting in Secondary School, Homework is already provided to prepare pupils for higher education. SSCians at this age are expected to acquire the habit of being punctual with regards to submissions, following the submission due dates set by Teachers. They should also practise precision in ensuring that when it requires an upload, they send the correct file.

* Starting in Secondary School, deductions will be applied for late submissions via the Orange Form.

I. Pre-University

* Pre-University pupils may be of age where they can be granted a Non-Professional Driver's Licence. For locals, SSC will only allow those who have a Non-Professional Driver's Licence to drive themselves to school. SSC will not allow those with Student Permits nor those bearing foreign driving licences.

* Pre-University pupils will not be allowed to leave the campus any time within their school timetable without clearance from their Class Adviser and Department Coordinator. Even for school work outside of the campus, permission has to be granted when it is within their school hours. Upon dismissal time, however, PreUniversity pupils do not need clearance to leave the campus on their own, unless their Parents advise the school otherwise.

J. Responsible Use of Network, Platforms & Apps

* The School Network is the property of the school and is a powerful tool when used appropriately. To ensure that everyone benefits from its use and there is a secure and safe environment online, all SSCians are asked to adhere to SSC's RUSN (Responsible Use of School Network) Policy. This is most applicable to Upper Secondary and Pre-University pupils who bring their own devices to school on a daily basis and are provided internet access.

K. Rules of Play; Play Forecast

* Outdoor sports/play should be played outdoors, at sports facilities and not inside the classrooms or in the hallways.

* Pupils are encouraged to be physically active during free periods. Before the start of their school day, they are asked to choose, however, activities that should be in line with the preparation for their first class, as opposed to disrupting it. Indulging in running games, for example, may lead them to soil their uniforms and, therefore, the need to change even before the first period has started.

* Running is not allowed along the hallways for everyone's safety and SSCians must use the stairs and ramp properly, i.e. no jumping down stairs and riding on trolleys down the ramp.

* SSCians are encouraged to play during their breaks but are asked to stop five (5) minutes before snack time ends and ten (10) minutes before lunch period ends in order to cool down and prepare for their next period. This policy is applicable for those attending school for the whole day.

* During dismissal time, SSCians may play in the designated areas as classrooms and hallways will be off limits.

* Rough and dangerous play is strictly prohibited.

* Due to rising temperatures in today's world, SSCians are to form the habit of wearing sunscreen and hats when outdoors and exposed directly to the sun. Pupils are also expected to check the Play Forecast bulletin daily to determine if it is safe to play outside. Outdoor activities may be adjusted, limited, or suspended during periods of extreme heat or adverse weather to prevent heat-related illnesses and ensure the health and safety of all pupils during break and playtime.

L. Meal Policy, BYOR; Birthday Celebrations

* The Administration Office will inform Parents and Guardians of the availability of meal service providers.

* SSCians who bring their meals should have their containers properly labelled and use their lockers to store them. For those whose lunches are dropped off, they should be labelled and will be placed in the rack in Cafe Vanda or may be turned over at the School Lobby. In case of delay (beyond 15 minutes of the start of their lunch period) for Primary Pupils, food from the meal service provider will be automatically provided as a replacement. Pupils should inform a Teacher or School Staff. Such an occurrence is considered a Pupil's Incidental. For Secondary and Pre-U Pupils, we trust that they will self-manage, i.e. buy food from the meal service provider.

* SSC is a BYOR (Bring Your Own Reusable) school. Meals should be packed in reusable containers. Those observed to be regularly throwing food packages will be reminded about SSC's BYOR policy and why we must all do our part in minimising trash.

* Pupils are NOT ALLOWED to order meals through any food delivery service themselves. The school also does not place orders on behalf of pupils or parents. The alternative remains the meal service provider.

* SSCians who bring their lunch with them can heat it up (provided it is packed in a microwavable container) at Café Vanda with assistance from school personnel. Pupils have to provide their utensils.

* SSCians are encouraged to eat healthy meals every day. "Fun" food such as junk food, sweets (candies and chocolate) are not allowed except on Fridays. This applies even when pupils have been dismissed, but remain in school premises.

* The Meal Service Provider has been advised to provide limits to what each SSCian can purchase to avoid unhealthy consumption.

* All SSCians are required to bring to school their water containers filled with water. Purified water is available for refill.

* For SSCians who fail to bring their water container, bottled water is purchased from the Meal Service Provider and in the absence of payment, this can be considered a Pupil's Incidental. Once empty, the plastic bottle should be sorted for recycling.

* Parents can request for pupils to leave during the lunch period for valid and extraordinary reasons only.

Birthday Celebrations

* Birthdays are special, and classmates will always be on hand to greet and sing a birthday song for any celebrant (even if their birthday falls on a weekend or a school break!). Some Parents wish to further celebrate their child's birthday by holding a treat in school. They should communicate their initial request with ComCen or the Department Coordinator.

* Birthday Celebrations are limited to Family and Household Members and food should be distributed in reusable containers. SSC is a BYOR school. Trash should be kept to a minimum to zero. Loot bags should ideally contain items and consumables that are healthy. The allocated time slots for such celebrations shall be Snack Time for PreSchool, Special Time for Primary and Secondary School and Lunch additions or Dessert for Pre-University.

* SSCians invited to the birthday celebration are limited to the celebrant's class level and section. And there will be no need for decorations, games and other activities, including any form of entertainment.

* Once a date is set, a Birthday Request Form will have to be accomplished and submitted no later than three (3) school days before the set date. Actual food and drinks to be served have to be listed down in the Request Form. Take note of the food restrictions. This requirement helps ensure consumption safety. Take note as well of the guidelines on serving; again SSC is a BYOR school. No food kiosks will be allowed.

* Pre-U birthdays, pupils can just inform their Class Adviser and a time slot for the celebration will be provided. Celebrations should be limited to treating others with food, drinks and/or cake.

* For a complete listing on the school's policy and procedures for Birthday Celebrations, the document is available on the school's platforms.

M. Lost & Found; about Money

* All lost and found items must be immediately reported to a Teacher or School Personnel.

* All lost and found items must be turned over to the Administration Office where pupils, Parents and Guardians may come forward to claim them during their breaks or dismissal time.

* Items unclaimed after the final reminder or notice will be donated to charity.

* SSC will not be held liable for any damaged or lost items brought to school. SSCians must be responsible for their belongings.

* Upper Primary, Secondary & Pre-University pupils are allowed to bring money to school, to foster financial responsibility. And SSCians are encouraged to be responsible over the safekeeping of the money they bring. They can use their funds for cafeteria purchases or when there are school events that have booths selling various goods. On a regular school day, it would be advisable for Upper Primary Pupils to carry no more than P500 in their wallet.

* Trading where money is involved is strictly prohibited in Primary School. For Secondary & Pre-University pupils, the school cautions against significant transactions. Gambling and other

improper activities will merit corresponding corrective procedures.

* All payments must be made to the SSC Accounting Department. No payments should be coursed through other School Personnel. Online Payments are now the norm.

N. Code of Conduct for SSCians

* Each child has the right to learn. For SSC to be a safe and conducive environment for learning, there is a code of conduct for pupils which defines standards of behaviour expected and promotes values and good principles.

* The code of conduct for pupils include the following:
  - Classroom & Campus Decorum
  - Homeroom & Campus Upkeep
  - Academic Honesty
  - Online Behaviour
  - Social Interactions with Peers, with Adults

* Starting in Primary School, the school's code of conduct for pupils will be provided with an orientation at the start of every school year. Upper Primary, Secondary & Pre-University pupils will have to sign an agreement after that.

* Drug tests starting at Secondary 4 may happen. SSC also reserves the right to conduct random drug tests any time during the school year it sees fit.

O. Pupils with Special Needs

* Pupils with learning disabilities are admitted to SSC given that they pass the Admission Test, are independent (do not require a Shadow Teacher), and have been recommended by a medical specialist as fit to be mainstreamed.

* If a pupil's disability has been diagnosed after having been admitted to SSC, the School reserves the right to suspend the pupil from class temporarily. The decision to readmit the pupil shall depend on the recommendations of a medical specialist.

* In case of mental health issues, Parents and Guardians are required to reveal the matter to School Heads. A medical specialist's clearance may be requested to ensure continued school attendance is not detrimental to a pupil's condition.

P. Parents & Feedback

* Parental Supervision remains a key factor in a child's growth and development. A Parent with no goals and expectations will rear a child with no goals to aspire for, and no expectations to strive for. Parents should set academic and behavioural goals. SSCians should know their Parents and Teachers expect them to go to school and be invested in their learning.

* For Parents/Guardians who wish to confer with a Teacher, Class Adviser, Department Coordinator and other School Personnel, please make an appointment beforehand through ComCen. One can also opt to write to the Department Coordinator and send such via email.

* If pupils would have conflicts or issues with others in the school, Parents and Guardians are prohibited from intervening with the matter on their own. Instead, Parents and Guardians of the pupil/s concerned are to endorse the case to the Class Adviser or Department Coordinator.

* To report any untoward incident that happened in school, a letter/email is most preferred, listing down as many details as possible. Parents/Guardians must refrain from relaying only their personal, initial reactions but attempt to provide an objective view as well.

* Parents/Guardians can expect timely feedback regarding their concerns but must accept that those that require further investigation will take time, respecting also the fact that school personnel usually have other matters of equal importance to attend to.

* While SSC is willing to attend to various requests, Parents/Guardians must take into consideration if what they are asking is practical, urgent or necessary. And that the school will not attend to requests that will go against fostering SSC's Learner Profile.

* A collaborative school-home partnership and relationship paves the way for a child's potential to be maximised under these two homes. In case a negative situation arises, Parents/Guardians are reminded to maintain proper decorum and refrain from using foul, threatening and abusive language and actions towards any school personnel and other members of the community, and vice-versa. Any stakeholder who exhibits threatening and abusive behaviour can be asked to withdraw from the school community.

GRADING SYSTEM

"At SSC, it's not about passing the mark, but SSCians giving their best and excelling!"

A. Academic

- The passing mark for all levels in all subjects is 60%.
- For PreSchool, the applicable rating scale that represents a passing mark is "You Did It" and above.
- For eligibility to the next class level, SSCians must have an average of at least 60% for each subject by the end of the school year.
- To be fully informed and guided, kindly refer to the following:

For Primary School to Pre-University:

Failed in: **Core or Foundation Subjects**	**Action**
1-2	Pass a Removal Test and/ or Complete Requirements
Any 3 Subjects	Repeat Class Level

- SSC reserves the right to decline re-enrolment for consistently underperforming Pupils, especially if the academic approach and standards of the school are no longer beneficial for the child's personal growth and development.

B. Notice of Underperformance

- In case of academic underperformance, a written notice will be issued for the Parents/Guardians, to serve as an official reminder regarding the school's standard and policy on grade requirements. This is normally sent after the Parents/Guardians have already sat for a Parent Teacher Conference.

For PreSchool, the following is the Performance Rating Scale:

Remark	**Description**
Excellent	Has very good knowledge of the topic or skill
Good Work	Has adequate knowledge of the topic or skill
You Did It	Has some awareness of the topic or skill
Let's Try Again	Is still developing awareness of the topic or skill and needs further guidance

- A remark or rating of "Let's Try Again" in the final general average will constitute a decision for the school to recommend retention, which means that the pupil will have to retake the PreSchool level.

- For Primary School, the following are the mark categories and their numerical equivalents:

Marks	Percentage	Description
BAND A	**90% - 100%**	Has very good knowledge and skills on the subject
BAND B	**80% - 89%**	Has adequate knowledge and skills on the subject
BAND C	**60% - 79%**	Has some knowledge and skills on the subject
BAND D	**Below 60%**	Has not met the minimum requirements for the subject

- For Secondary School, the following are the mark categories and their numerical equivalents:

Marks	Percentage	Description
BAND A*	**90% - 100%**	Demonstrates **excellent** knowledge and skills on the subject, recalls and communicates precise information, and develops a convincing line of reasoning using exact evidence to support an argument
BAND A	**80% - 89%**	Demonstrates **very good** knowledge and skills on the subject, recalls and communicates more than adequate information, and develops a credible line of reasoning using evidence to support an argument
BAND B	**70% - 79%**	Demonstrates **good** knowledge and skills on the subject, recalls and communicates adequate information, and develops a reliable line of reasoning using evidence to support an argument
BAND C	**60% - 69%**	Demonstrates **adequate** knowledge and skills on the subject, recalls and communicates information, and develops a satisfactory line of reasoning using some evidence to support an argument
BAND D	**Below 60%**	Demonstrates **inadequate** knowledge and skills on the subject, inconsistently recalls and communicates information, and attempts a line of reasoning often relying on assertion rather than evidence.; has not met the minimum requirements for the subject

- For Pre-University IB DP, marks are reported using the 1-7 scale as outlined below.

Marks	Percentage	Description
7	90% - 100%	Demonstrates **EXCELLENT** understanding, appreciation and skills on the subject
6	80% - 89%	Demonstrates **VERY GOOD** understanding, appreciation and skills on the subject
5	70% - 79%	Demonstrates **GOOD** understanding, appreciation and skills on the subject
4	60% - 69%	Demonstrates **ADEQUATE** understanding, appreciation and skills on the subject
3	50% - 59%	Demonstrates **SOME** understanding, appreciation and skills on the subject; has not met minimum requirements for the subject
2	40% - 49%	Demonstrates **SUPERFICIAL** understanding, appreciation and skills on the subjects; has not met minimum requirements for the subject
1	Below 40%	Demonstrates **RUDIMENTARY** understanding, appreciation and skills on the subject; has not met minimum requirements for the subject

- The average mark will be taken by calculating the average of the following for each Term:
  1. Core Subjects in PreSchool, Primary and Lower Secondary Schools
  2. IGCSE Subjects for Upper Secondary School
  3. Diploma Programme Courses for Pre-University

- Pupils who are within the Band A (for Primary), Band A* (for Secondary), or 7 Marks (for Pre-University) category will be given certificates of recognition for their exemplary achievement in academics.

c. Certificates of Merit (Academic Performance)

* Certificates of Merit for exemplary academic achievement are awarded per Term. These certificates are given to Pupils who attain the following average mark requirements:

a. Primary School: “Band A” average for all Core Subjects
b. Secondary 1-2: “Band A*” average for all Core Subjects
c. Secondary 3-4: “Band A*” average for all Cambridge IGCSE Subjects
d. Pre-University 1-2: “7” average for all 6 subjects taken (excluding Core: TOK, EE and CAS)

D. SSC Learner Profile (for Primary and Secondary School) and ATLs (for Pre-University)

* PRIMARY & SECONDARY SSCians will also be evaluated for the following:

SSC LEARNER PROFILE

F. Certificates of Merit (Conduct and Behaviour)

* Certificates of Merit for exemplary conduct are awarded per term to Pupils who attain a mark of "Outstanding" for that particular Term.

G. SSC Awards

* During the Pre-University Commencement Day programme, the school identifies and recognises the excellent and the extraordinary in its Pupils. For Class of 2024 onwards, SSC Awards will be handed out by the following criteria:

SSC AWARDS	CRITERIA
A. LOYALTY	Attended SSC since K2 without having skipped a level; there can be more than one awardee.
B. CITIZENSHIP	Consistently received an 'Outstanding' mark for Conduct & Behaviour since attending Secondary 3 at SSC; there can be more than one awardee.
C. SUBJECT COURSE DISTINCTION	Awarded to the Pupil with the highest mark based on the Final Averages for the following Subject Courses, taken at the Higher Level, covering Pre-University 1 & 2: 1. English A Lang & Lit 2. Business Management 3. Psychology 4. Biology 5. Chemistry 6. Physics 7. Computer Science 8. Mathematics A&A Only one awardee per Subject Course unless in case of a tie by no more than .5% point apart; in such case, maximum of 2 awardees. Mark must at least be 90% to be considered for this award.
D. ACADEMIC EXCELLENCE	Awarded to the Pupil with the highest mark based on the Final Academic Averages covering Secondary 3 & 4 and Pre-University 1 & 2. Only one awardee unless in case of a tie by no more than .5% point apart; in such case, maximum of 2 awardees. Mark must at least be 90% to be considered for this award.
E. PRESIDENTIAL EXCELLENCE AWARD	Awarded to the Pupil who has excelled in leadership and service in various roles covering Secondary 1-4, Pre-University 1 & 2 and who is also a candidate or recipient of other SSC Awards. Only one awardee, however, this Award may not be given every school year.

SSC AI-Use Policy

1. Vision Statement

Singapore School Cebu (SSC) highly recognises the growing presence of AI tools in education, and we aim to empower both our Teachers and Pupils to use them to their advantage, as we gear towards being future-fit. This includes utilising AI tools responsibly and ethically – as **assistive aides** and not replacements for **critical thinking**, **personal effort,** or **academic integrity.**

2. Guiding Principles

- Pupils are expected to be the **primary thinkers and creators** of their academic work.
- AI tools may be used for **idea generation**, **exploration**, and **research assistance**.
- AI-generated responses should be **cited** just as one would cite a book, website, or article.
- AI use must be **transparent**, **purposeful**, and in support of maximising one's potential.

3. Grading Policy for Pupil Outputs

No more Graded Homework for Secondary to Pre-University

- Homework can be easily completed by AI with minimal pupil engagement.
- SSC prioritises **authentic pupil understanding**, which cannot be verified solely through off-campus tasks.
- All homework is considered **preparatory or practice-based** and will **not be graded** directly. Submissions can either have an on-campus verification or can fall instead under grading for "Participation".

On-Campus Verification

- Any work that can potentially be completed using AI will be followed by on-campus activities. This helps ensure authentic learning. Examples include but are not limited to the following:
  – A verbal explanation or class discussion.
  – An application/extension task.
  – A checkpoint / formative assessment.
  – A graded seatwork or summative assessment.

4. Policy for Pupils

- **Do use AI tools** for:
  – Brainstorming ideas.
  – Gathering research leads.
  – Learning how to improve drafts.
  – Understanding difficult concepts (e.g., through explanation or rewording).

- **Do not use AI tools** to:
  – Write essays, reports, or analysis on your behalf.
  – Generate answers for assignments you will submit as your own.
  – Avoid thinking through or solving problems independently.

- **All AI use must be cited** in submissions. For example:
  "ChatGPT was used to generate a list of pros and cons, which I used to develop my own argument."

- **Any uncited AI-generated content** in pupil submissions may receive **zero marks**.

As a general rule, Teachers should guide pupils on the permitted usage of AI for each task or output, as expectations may vary depending on the context.

The school's Vision Statement regarding AI Use serves as a valuable reference, as it helps align decisions on when AI is maximised as "assistive aides and not replacements for **critical thinking**, **personal effort,** or **academic integrity.**"

5. Policy for Teachers

What is expected of the pupils should be modeled by their Teachers.

- Teachers must not rely on AI to fully generate lesson plans, assessments, or other instructional materials without applying their own professional judgment, contextual adaptation, and ensuring that it attends to the pupils' needs in order to maximise their learning.

- Teachers should design educational activities, assessments, and homework that challenge AI capabilities by incorporating critical thinking, creativity, and personal reflection. This can involve open-ended questions that require unique perspectives and collaboration, making it difficult for AI to provide generic answers.

- Teachers are expected to develop a full understanding of SSC's Vision Statement on AI Use, enabling them to model its principles in practice. They are highly encouraged to collaborate with colleagues to explore how AI can be effectively used as an assistive tool - enhancing, not replacing, teaching and learning.

  – Use AI for **scaffolding thinking**, not replacing it.
  – Evaluate the **accuracy and reliability** of AI-generated information.
  – Understand and apply **proper citation practices** for AI content.

6. How Parents Can Support

- Familiarise yourself with SSC's current AI Use Policy.
- Observe children's use of AI at home and share relevant insights with the school, recognising that it takes a village to raise a child; therefore, each of us has a role to play in guiding responsible and ethical AI Use.

7. Corrective Procedures

While some uses of AI may fall into grey areas, certain actions are clearly violations of academic integrity. For these, the following corrective procedures will apply. Teachers may also identify and clarify additional instances that constitute a breach of academic integrity, to which the same procedures will be enforced.

Failure to cite but did not claim AI work as their own.

- **First Violation**: Feedback and resubmission opportunity.
- **Second Violation:** Feedback and resubmission opportunity + Phase 1 Correction.
- **Third Violation:** Zero grade for the task + Phase 2 Correction.

Failure to cite and claiming it as their own.

- **First violation**: Zero grade for the task + Phase 2 Correction. The school considers this an act of Academic Dishonesty.
- **Repeated violations**: Zero grade for the task + Phase 3 Correction.

8. Policy Revisions

This policy may be reviewed and updated at any time to ensure its continued effectiveness and relevance. While changes can be made as needed, we shall ensure all concerned stakeholders are duly informed so they may understand the implications of any revisions.

CORRECTIVE PROCEDURES

* **CORRECTIVE PROCEDURES (CP)** is applicable for Primary, Secondary & Pre-University levels.

"Corrective Procedures (CP) is a proactive action in recognising and defining misconduct and misbehaviour, determining its cause, and taking appropriate measures to correct it. Applying CP ensures a safe and conducive learning environment for all learners. The school community must not reject the norms of acceptable behaviour as children navigate through their growing years with their share of ups and downs. Therefore, CP works towards realising, teaching, learning and restoring positive and appropriate behaviour. Through "restorative practices", CP targets rehabilitating one's affected relationship with others and the rest of the community."

* CP comes in the following **3 Phases** when processing Pupils' Conduct & Behaviour:

Phase 1: Onset of Behaviour

* The **RRC (Remind, Remind, Correct)** method is utilised by Teachers and School Personnel in Primary, Secondary and Pre-University levels, to give pupils cautionary notice regarding a failure to comply with the School's Code of Conduct.
* The Teacher or School Personnel works together with the pupil on the correction. In most cases, Parents or Department Heads don't need to be informed or be involved at this stage.

Phase 2: Consultation; Nature and Degree of the Correction

* The Teacher or School Personnel relays a pupil incident or refers a case to the Pastoral Care Department (PCD). This includes when the Phase 1 of correction does not yield progress.
* The Life Coaches from the PCD shall conduct interviews and consultations with parties involved to find out more of the matter. It will provide advice and feedback, on top of determining the nature and degree (i.e. minor or major) of the correction, if applicable.
* At this stage, a time out from the pupil's regular class schedule may occur for the necessary processing.
* Parents/Guardians will also be informed and involved at this stage, including the Department Coordinator.
* The PCD will produce documentation at this phase that will require the Parents/Guardians to fill out and sign, to be submitted the following day to the designated Life Coach.
* Any Pupil who reaches Phase 2 shall incur a one-level drop in his/her Conduct & Behaviour mark for the Term.

Phase 3: Probationary Status

* Phase 3 is reached when, despite repeated correction and the use of restorative practices, the pupil doesn't show progress. Reaching this phase is considered a major correction.
* In Phase 3, the pupil is put on probationary status with set conditions to be fulfilled.
* Parents/Guardians, for their part, will be asked to allocate more time with the school and their child(ren) at this phase, and the matter will be escalated to the Head of School. Conferences will surely follow.
* Efforts should continue on restoring positive behaviour and the rehabilitation between the pupil(s) with others and the rest of the community, as deemed fit. Time out from the pupil's regular class schedule will occur, even possibly taking a full day off or more.
* Other possible course of actions under Phase 3 may also include the following:

1. **Community Service**
   This will be in relation to the particular conduct and behaviour exhibited, to provide opportunity to teach, restore or rehabilitate. Duration shall be decided by the Life Coach.
2. **Days Off Pending Medical Specialist Recommendations**
   This is in the event that a particular behaviour poses some danger to oneself and/or to others, or the behaviour exhibited is a result of an undiagnosed psychological condition of the Pupil.
3. **Dismissal**
   As a general rule, any Pupil who reaches the Phase 3 shall be put on probationary status and given no more than 2 chances to correct the misbehaviour within a school year.

* Parents/Guardians will be asked to sign an agreement upon the 2nd instance of correction (if applicable) to ensure that they are fully aware of the possible dismissal in case of a 3rd instance.

* Upon the 3rd instance, other stakeholders, including the possibility of a representative from the Philippine Department of Education will be requested to join in on the deliberations of the case.

* Singapore School Cebu reserves the right to dismiss any Pupil that reaches Phase 3 at any time. This will, of course, depend on the gravity and nature of the situation at hand, i.e. serious threat to the safety of oneself and others.

* Any Pupil who reaches Phase 3 shall incur a "Poor" rating reflected in his/her Conduct & Behaviour mark for the Term.

MINOR or MAJOR CORRECTION

* Depending on the nature of the behaviour, those considered **MINOR** will commence Corrective Procedures (CP) at Phase 1, while those considered **MAJOR** may go directly to Phase 3.

* Singapore School Cebu reserves the right to determine whether a correction is **MINOR** or **MAJOR.**

- All Email notifications are sent to Parents **via Classe365**. Parents are required to acknowledge receipt by replying to the email.
- When the pupil receives a Correction, a **Conference Agreement** will be completed, and a **Corrective Procedure** document will be sent, which must be signed by both the Pupil and their Parent.
- The case proceeds to the **Corrective Procedure**, which includes a **Restorative Process facilitated by PCD**.
- Continued non-compliance may result in higher phases of Correction, as outlined on page 35 of the Pupil's Handbook. This system is designed not to be punitive, but restorative—encouraging pupils to reflect, take responsibility, and make positive changes in their behaviour.

SSC Child Protection and Anti-Bullying Policy

Singapore School Cebu (SSC) upholds a zero-tolerance policy against all forms of child abuse, bullying, violence, exploitation, and discrimination. In alignment with the 1987 Philippine Constitution, RA 7610, and the DepEd Child Protection Policy (Order No. 40, s. 2012), SSC is committed to providing a safe, supportive, and respectful learning environment for every pupil.

Items in this policy are meant to supplement what is covered under Corrective Procedures in this Handbook & Code of Conduct.

Definitions
Key terms such as *child abuse*, *bullying*, *cyberbullying*, *corporal punishment*, and *violence* are defined as per national policies to guide reporting, prevention, and protection efforts.

For SSC's context, we place emphasis on bullying which we define as any deliberate and repeated aggressive behaviour that involves an imbalance of power and is intended to cause harm, distress, or fear to another individual. This includes physical, verbal, social, mental and cyberbullying.

Roles and Responsibilities
- School Personnel act *in loco parentis*, working towards ensuring pupils' safety, mental health, and moral development.

- Teachers and Staff are prohibited from using corporal punishment, verbal abuse, humiliation, or discriminatory acts. Violations shall be dealt with accordingly, based on the Teachers and Staff Handbook & Code of Conduct.

- Parents and other community members are expected to demonstrate the same standards of behavior that we ask of our staff and pupils - treating all individuals with respect, care, and responsibility.

Reporting Procedures
Pupils, Teachers, Staff, Parents, and community members are encouraged to report any incidents of bullying promptly. Reports can be made to any School Leadership Team member, Teacher or Life Coach. Reports must include the following: name(s) of persons involved, date, time and place it occurred.

In addition, any pupil may:
- Make a direct disclosure about him or herself
- Make a direct disclosure about another child or young person
- Offer information that is worrying but not a direct disclosure
- Report concerns about another Pupil's appearance or behaviour or the behaviour of a Parent or Caregiver towards a child or young person
- Make a disclosure about abuse that a child or young person is suffering or at risk of suffering
- Make an anonymous report

Handling of Cases
Reports of abuse, exploitation, or bullying are treated with urgency and confidentiality and this covers all stakeholders in the community.

Investigation Process
Reports will be promptly and thoroughly investigated. The investigation will include interviews with the alleged victim(s) and perpetrator(s), including witnesses, as well as a review of any available evidence. The privacy and confidentiality of all parties involved will be respected throughout the investigation process.

Prevention Strategies
At SSC, we believe in regularly reminding and engaging all stakeholders in their shared responsibility to create a nurturing learning environment.

- For Pupils, SSC's small Teacher/Staff to Pupil Ratio (1:3.5), ensures there are enough adults in school to catch behaviour that needs correction.
- Proactive measures also include MINDFULNESS Classes and other avenues to promote respect, empathy and inclusivity.

Child Protection Committee (CPC)
By law, schools are required to have a CPC and in SSC, this is composed of the School Leadership Team.

AGREEMENTS

1. **School Property Agreement**
2. **General Use of Images**
3. **Pupil's Incidental**
4. **Mandatory Attendance of Safety Drills**
5. **Recordings, CCTV Footage**
6. **Handbook & Code of Conduct**
7. **Correspondence**

An Agreement Form is made available in the school MIS to secure a Parent's eSignature to indicate that one has read, understood and shall abide by the various agreements.

---

1. SCHOOL PROPERTY AGREEMENT

APPLICABLE TO ALL SSCIANS

SSC supplies all of the Textbooks and Workbooks or Activity Books needed for the fulfilment of the curriculum. SSCians are asked to answer directly on their Workbooks and Activity Books, therefore once used, these books can no longer be passed on to another pupil. For Textbooks, however, these are used for reference, thus to avoid waste, those labelled with 'PROPERTY OF: SINGAPORE SCHOOL CEBU' bottom of every Textbook - shall be lent to SSCians for a school year only, and **MUST BE RETURNED IN GOOD CONDITION AND LEFT UNMARKED** (no writings on them) at the end of the school year.

Note that in some cases, especially for Upper Secondary Cambridge IGCSE and Pre-University level, the same set of books cover a 2-year programme. Further, for Pre-University, they mostly utilise ebooks.

At the upper levels, School Property lent to pupils also include equipment and materials, i.e. calculators.

With the loss of a Textbook or Workbook/Activity book plus any School Property item, one will have to procure a replacement and will be charged accordingly. In case any of the books that are SSC property are damaged or marked/written on, one will likewise be asked to secure a replacement where fees will apply.

---

2. GENERAL USE OF IMAGES

APPLICABLE TO ALL SSCIANS

A Parent/Guardian gives their consent to the administration of Singapore School Cebu for the general use of images of their child(ren) taken during regular class days and school events published on the school's website, social media accounts and other materials. Historically, the school has exhibited high standards of respect and privacy when using such images.

For extraordinary use of such images, the school will issue a separate, additional request.

3. PUPIL'S INCIDENTAL

APPLICABLE TO ALL SSCIANS

The Pupil's Incidental Form is intended for items that are already beyond the school's allocation. Parents/Guardian will be informed whenever an incidental has been made. Below is a sample of the Form.

This procedure lessens the occurrence of Parents/Guardians having to be called in the middle of the day because one's child has forgotten something. Billing of the incidental shall follow.
Here are sample scenarios of incidentals in relation to each category:

1. **Meals and Water** - There are times that a pupil may have forgotten to bring a water container, snacks or lunch, or food has been discovered spoilt or has fallen to the ground. The school will proceed with the procurement of a replacement which it will either source from the Administration Office, meal service currently offered in Café Vanda or from nearby establishments like S&R. Parents will then be charged at cost + 30% administrative charge.

2. **Photocopying** – This happens when a pupil forgets to bring back an activity/workbook to school, and the class is scheduled to answer such seat work on that day. The charge will be P10.00 per page.

3. **Pupil's Kit** – This is only applicable for Primary, Secondary & Pre-University. The Pupil's Kit, which is provided for by SSC, contains the basic school supplies allocated to each pupil throughout the school year. This includes consumables like pencils, rubbers, crayons and glue. Materials chosen are known for their quality. Please see the rundown on the table below.

Item	P1-P2	P3	P4	P5-P6	SEC & PRE-U
Pencils	2/mo.* 20/sy	2/mo.* 20/sy	2/mo.* 20/sy	1/mo.* 10/sy	1/mo.* 10/sy
Rubbers	4/sy	4/sy	2/sy	2/sy	2/sy
Crayons	2 boxes/sy	2 boxes/sy	1 box/sy	1 box/sy	1 box/sy
Ballpens	-	1 black/sy 1 red/sy	1 black/sy 1 red/sy	2 black/sy 2 red/sy	3 black/sy 2 red/sy
Glue	1 btl/sy	1 btl/sy	1 btl/sy	1 btl/sy	1 btl/sy
Highlighter	-	1/sy	1/sy	1/sy	1/sy
Calculator	-	-	-	1/sy	1/sy
Kit Case	1/sy	1/sy	1/sy	1/sy	1/sy

*mo.–per month, sy–per school year

While the allocation ensures more than adequate basic supply for the whole school year, (in fact, the school can still add on to existing items every time a need arises) - each SSCian still needs to take care of the materials to avoid loss or breakage. In case the pupil is already going beyond the allocated budget due to poor management, the school will charge for replacements via the Pupil's Incidental Form. The cost will vary per item.

FYI, other classroom materials like scissors, rulers, mini whiteboards, et al. are also provided for each pupil inside the classroom, but under the care of Class Advisers.

4. **Clinic** – First Aid supplies will always be provided free of charge to SSCians when they need it. There are some cases, however, where the need is expected for a couple more days. In such cases, the pupil is instead expected to bring their supply or the Clinic will charge it as an incidental.

5. **Others** – This is for other urgencies and emergencies, where a possible consultation with Parents/Guardians will most likewise be done before an incidental is incurred.

---

4. MANDATORY ATTENDANCE OF SAFETY DRILLS

APPLICABLE TO ALL SSCIANS

Safety is a top priority in SSC; thus, attendance is mandatory for all safety drills, which are conducted 1x-2x a school year. This policy is part of the school's Disaster Risk Reduction Management programme.

---

5. RECORDINGS, CCTV FOOTAGE

APPLICABLE TO ALL SSCIANS

For recorded meetings, events and CCTV footage, all copies are the sole property of SSC. Any request for a copy will have to undergo review and approval. Singapore School Cebu reserves the right to reject any request, even for academic purposes. For recordings released to any Pupil or family, showing any parts of it or forwarding the copy to others, including sharing it to the public, is strictly prohibited and is a breach not only of the school's policy but may also at times be considered as against the law.

---

6. HANDBOOK (APPLICABLE TO ALL SSCIANS)
Code of Conduct (FOR PRIMARY, SECONDARY & PRE-UNIVERSITY LEVELS ONLY)

Parents/Guardians have been given access to the soft copy of SSC's Handbook & Code of Conduct before the start of the School Year. Essential items have been discussed in Pre-Opening Orientations, and Teachers are expected to have made the rounds of orienting pupils further on the rest of the content.

Therefore, it is assumed that all stakeholders are aware, have read, understood and shall abide by its contents that cover the school's policies, grading system and corrective procedures including the school's AI Policy.

---

7. CORRESPONDENCE

APPLICABLE TO ALL SSCIANS

SSC exerts above-average effort to communicate to Parents and other stakeholders as needed. Suppose repeated efforts remain futile in getting a response from Parents/Guardians or the selected recipients; SSC reserves the right to assume the correspondence has been received and may proceed to decide on behalf of Parents/Guardians

SCHOOL HYMN

We believe we can make a change, there's so much that we can be.
We believe when we can take a chance, there's so much for us to see.

We believe in sharing,
all the things that we have learnt; without fear and with gratitude, helping others in return.

We believe we can make a difference, when we give our all.
And we can have a brighter future, so stand proud and stand tall!

We believe in what we can do, be the best to
make our dreams come true.
We will be, we can be,
the very best, yes we can, for all the world to see.

We believe that we can be strong, when we do our best,
we are never wrong.
Yes together, we can reach our goal.
Be the best, yes we can, all we have to do is believe.

Repeat

Be the best, yes we can,
WE BELIEVE WE CAN BE THE BEST… BE THE BEST

"LUPANG HINIRANG"

Bayang magiliw
Perlas ng Silanganan,
Alab ng puso,
Sa dibdib mo'y buhay.
Lupang Hinirang,
Duyan ka ng magiting,
Sa manlulupig,
Di ka pasisiil.
Sa dagat at bundok,
Sa simoy at sa langit mong bughaw,
May dilag ang tula
At awit sa paglayang minamahal.
Ang kislap ng watawat mo'y
Tagumpay na nagniningning,
Ang bituin at araw niya
Kailan pa ma'y di magdidilim.
Lupa ng araw, ng luwalhati't pagsinta,
Buhay ay langit sa piling mo;
Aming ligaya, na pag may mang-aapi
Ang mamatay ng dahil sa iyo.
